

## Subaru Senior Invitational

### 3S Go Karts - Sutton Ontario

### August 22, 2009

---

The Toronto Kart Club is holding a Subaru Senior Special Event race with 15 spots available. The engine being used is the Subaru KX 21, that runs at 10.5HP, stock out of the box.

We would like to invite any and all Senior drivers to join us. If you have been out of the sport for a while and still have a kart, or are still racing; come out and give it a try. You will need to bring your own header can, clutch, fuel and kart, and we will provide the engine and oil.

The cost for this event will be \$100.00 (\$70 for race fees, \$25 motor fee, and \$5 for a special one day race licence.) We require all drivers to complete a medical self-declaration, which can be downloaded from our documents page.

Keep an eye to the website at [www.torontokartclub.com](http://www.torontokartclub.com) for the event details and schedule.
